ABOUT SHORT COURSES AUSTRALIA

Short Courses Australia is a registered training organisation ([RTO 41261](#)) providing skill sets and compliance certificates across a range of industries, necessary for entry level employment.

Since 2019 we have partnered with over 400+ Victorian and NSW Secondary Schools to support the delivery of VET short course programs that are contextualised and meaningful for students, offering support to teachers, customising assessment materials and student resources to build programs that are engaging and hands on for students. Ensuring that education is accessed by all secondary students, from small one day programs up to Certificate II level qualifications.

Short Courses Australia is a contracted Smart & Skilled provider (509982) approved to deliver training for School Based Apprenticeship & Traineeships (SBAT) and Targeted Priorities Prevocational Part Qualifications Program (TPPPQ) across New South Wales (NSW)

Short Courses Australia integrates its popular non-accredited JOB CAMP module into the delivery of each VET DSS program that focusses upon job search, interview and application skills as well as industry placement support.

In 2024 we look forward to continuing to deliver across Victorian & NSW secondary schools by way of incursion, or at one of our Melbourne & Sydney training centre locations.
